Re: 30 Day Post-General Runoff Report (11/13/08 - 12/22/08)

To Whom It May Concern:

This letter is in response to Mr. Hilland's correspondence of January 22, 2009 regarding the 30 Day Post-General Runoff Report for Chambliss for Senate. We have addressed each item below.

1. Please find the amended Post-Election Summary Pages, including the Detailed Summary Pages with appropriate columns.
2. Regarding the 48-hour notices for this time period, the contributions in question are explained as follows:
 - a. Robin Allen, Doug Batchelor, Molly D. Franklin, James Kincaid, Matthew Kramer, Jeff Murray, Liz Murray, Steve Penley, and Carrie Penley were all in-kind contributions that were brought to our attention at the end of the run-off period. They were entered into our reporting software as the date the in-kind contribution was made rather than the date we received notification of the in-kind contribution. They were not reported on the 48-hour notice because we were not aware of the contribution at that time.
 - b. Bendaha Properties is a partnership that at the time of the 48-hour notice, it was believed that no individual partner would exceed the \$1000 threshold. We received the supporting partnership information after the 48-hour reporting time frame.
 - c. The following contributions in question were properly reported on 48-hour notices:
 - Barney Byrd was reported on page 19 of the 11/20/08 48-hour notice;

Paid for by Chambliss for Senate.

Not printed at government expense.
